Awareness Poster Presentation Rubric

Levels of Accomplishment	Criteria	Points
Exceeds expectations	<p>Poster presentation fully presents the Civic Action Plan by 1) identifying and explaining the problem/concern in a way that students at all grade levels can understand, 2) telling where in the school this problem is found, 3) giving a clear explanation of the solution for solving the problem, and 4) explaining how any students at any grade level at the school can help solve the problem. The presentation is also positively presented in a way that encourages students to participate and to know that they have the ability to help solve the problem and that by participating, they will help improve the school environment for themselves and everyone else.</p>	90% to 100%
Meets expectations	<p>Poster presentation fully presents the Civic Action Plan by 1) identifying and explaining the problem/concern in a way that students can understand, 2) telling where in the school this problem is found, 3) giving a clear explanation of the solution for solving the problem, and 4) explaining how students at the school can help solve the problem.</p>	80%
Approaches expectations	<p>Poster presentation briefly presents the Civic Action Plan by only 1) identifying the problem/concern, 2) telling where in the school this problem is found, 3) giving a solution for solving the problem, and 4) telling students they can help solve the problem.</p>	60% to 75%
Fails to meet expectations	<p>Poster presentation doesn't fully present the Civic Action Plan (only 1 to 3 of the 4 points are presented and/or the points are not fully presented)</p> <ol style="list-style-type: none"> 1) identifying and explaining the problem/concern, 2) telling where in the school this problem is found, 3) telling what the solution for solving the problem is, and 4) explaining how students at the school can help solve the problem. 	0% to 50%
